Welcome! Before We Dive In...
We're excited to have you here! Before we jump into the lessons, we want to share a few **important resources** to help you get the most out of this course.

✅ **1. Join a 100% Free Exclusive Student Community**
Connect with other students, **share your results and ask questions.**
This is a great place to **exchange ideas**, stay updated, and get feedback from both us and the community.

👉 **Click here to join the community**

🔧 **2. Recommended Tools for This Course**
Throughout the course, we'll use different tools to build powerful AI solutions. You might not need all of them - it depends on which projects you choose to follow. The great news? **They all come with free trials or credits**, so you can test everything without any risk!

Some of the links below are affiliate links, which means we may receive a small commission - **at no extra cost to you.** Thank you for supporting the course! 😊 You may also unlock special offers by joining through these links.
